

Limne, Lugana DOC, 2022

Tenuta Roveglia

Born in the thirties, Tenuta Roveglia boasts the most extensive vineyard in the area of Lugana just south of Lake Garda. Tenuta Roveglia has 105 acres of vineyards within the more than 245 acres of the estate. The grapes are harvested by hand, soft-pressed without the skins till no more than 60% of the free-run juice has been extracted. Fermentation in stainless-steel tanks.

The grapes come from the area of Lugana that is designated as premier cru, which was already heralded for its wine by the ancient Roman poet Catullo two thousand years ago.

Limne is the name for Lake Garda in the Greek language.
