

Amarone Della Valpolicella Classico, DOCG, 2017

Azienda Agricola Villa Crine

The history of Villa Crine goes back to the 1700s when the ancestral house was built, nestled in the foothills of the Italian alps. For generations the family passed on, from father to son the art of making and tasting wine, an art that has been refined by today's owner Battista Venturini. The hilly area with its many micro climates is especially suited for making an excellent Valpolicella of which both Battista and his wife Mara are exceptionally proud.

Tasting Notes

Beautiful garnet red with ruby reflections, notes of cassis and chocolate on the nose, full bodied and sensual in the mouth; the soft tannins provide a delicious lingering finish.
