

Ruchè Di Castagnole Monferrato, DOCG, 2022

Cantine Sant'Agata

Cantine Sant'Agata is located in the province of Asti in the heart of Piedmont. The Cavallero family founded the winery in the early 1990's, focusing on the main grape varieties that make the Piedmont area such a big part of Italian wine making.

Tasting Notes

This rare grape, thought to have come from Burgundy in the 18th century, was forgotten, but has been brought back into cultivation in a very small part of Piedmont. A medium ruby colored wine, it suggests roses and dark berry fruit. Soft and spicy notes on the finish complete the experience.
